Guidelines for Window Visits

We continue to offer in-person visitation at designated window spaces, if all of the following safety, care, and infection control measures are taken:

- Visits with a Resident in the designated space must be scheduled in advance and are dependent on permissible weather conditions, availability of outdoor space, availability of staff, and the health and well-being as well as the desire of the Resident.
- Please call 508.788.6050 or email heritagereception@maryannmorse.org to schedule a window visit.
- Upon arrival, all visitors will be screened for fever and respiratory symptoms.
- Visitors must be limited to no more than a party of two individuals for each Resident. Every visitor must agree to all conditions of the window visit guidelines.
- Windows must remain closed at ALL times.
- Visitors must wear a face covering or mask for the duration of the visit.
- We have sound equipment available to aid with window visits or you may choose to bring a cell phone with you.
