Mary Ann Morse Healthcare Center is a trusted senior healthcare provider with a legacy of over three decades. Dedicated to delivering exceptional, affordable care in the MetroWest area, we provide compassionate support for aging adults and their families, whether they're recovering from surgery and need skilled care, seeking outpatient therapy, or in need of long-term memory or nursing care.

We offer a comprehensive range of services tailored to meet each patient's specific needs, including:

- Short-term rehabilitation
- Outpatient rehabilitation
- Long-term care
- Geriatrics services
- Memory care (certified Dementia Special Care Unit)
- Respite care
- Physician services
- Physical, occupational, and speech therapy
- LSVT BIG® Parkinson's therapy
- Social services

Our overarching mission is to champion healthy aging, supporting aging adults in living their best lives, regardless of where they find themselves in life's journey.

SKILLED, LONG-TERM CARE, MEMORY CARE, AND RESPITE CARE

Quality Care in a Vibrant Community

Mary Ann Morse has earned a reputation for delivering exceptional short- and long-term care services to the MetroWest community. Our dedicated team is committed to providing empathetic, patient-focused care to residents and ongoing support to their families.

A Welcoming Community

Our highly-rated community offers a comfortable, calm, and welcoming environment where residents can feel at home and enjoy a wide range of amenities, such as:

- Safe, well-designed living spaces, including private and semi-private rooms
- Nutritious, dietician-approved and chef-prepared meals served in our restaurant-style dining room
- Homey, light-filled visiting areas for family and friends, including a library, card & game room, and private family dining room
- Easy access to ground-floor outdoor garden courtyard, patios, and planters

Comprehensive Well-Being Support

We offer a wide range of services and programs to enhance residents' overall well-being, including medical, recreational, and educational activities. Our programs include exercise classes, trivia games, book clubs, live musical entertainment, pet visits, community events, and local outings, which aim to foster social connections and active participation.

Our medical team includes Physicians, a Director of Nurses, an Assistant Director of Nurses, Nurse Supervisors, Nurse Practitioner, Wound Care Specialist, Physiatrist, Registered Nurses, Licensed Practical Nurses, and Certified Nursing Assistants.

Extensive Clinical Capabilities

Residents can count on a wide range of top-tier medical services delivered by skilled clinicians and dedicated nursing professionals, all with round-the-clock on-call coverage. These services include:

- Wound therapy
- IV therapy
- Inpatient hemodialysis treatment
- Respiratory care
- Diagnostic testing
- Oral chemotherapy
- Nutrition support
- Behavior management
- And more

Our bright, spacious rehabilitation center offers state-of-the-art equipment and technologies.

Memory Care

Our Memory Care Unit is a certified Dementia Special Care Unit (DSCU) by the Department of Public Health, ensuring the highest standards of specialized care and support for individuals with dementia. Our resident-specific activities are developed based on our residents' life stories, including hobbies, interests, and occupations. We also have an active on-site Alzheimer's Support Group.

Respite Care

Our Respite Program offers temporary assistance for aging adults, providing 24-hour care seven days a week during vacations, emergencies, or caregiver breaks. Respite Care offers an ideal way to experience life here and receive care before making a long-term care decision.

As part of our ongoing commitment to providing residents with the best care and quality of life, we offer on-site dialysis in partnership with Fresenius Kidney Care.

Insurances Accepted: Blue Cross Blue Shield, Harvard Pilgrim, Tufts Medicare Preferred, US Family Health, Fallon, Medicare, Unicare, Mass General Brigham Health Plan, private pay.

INPATIENT & OUTPATIENT REHABILITATION SERVICES

At **Mary Ann Morse Healthcare Center**, we offer inpatient short- and long-term rehabilitation, as well as outpatient rehabilitation services, all with the goal of helping you return to the same quality of life you enjoyed before your injury or illness.

Swift Recovery Through Comprehensive Care

Our highly qualified, certified rehabilitation therapists have been helping countless adults return to the highest levels of independence and health possible, whether recovering from surgery, joint replacement, neurological and movement disorders, or other health challenges. They can create an individualized treatment plan for your specific needs, abilities, and recovery goals, and work with you to help ensure your success.

Our Team of Experts

Our team includes physicians, nurses, physical therapists, occupational therapists, speech therapists, respiratory therapists, and a physiatrist (medical specialist in senior rehab), all working together to help facilitate your healing journey.

Reclaim Your Strength, Confidence, and Independence

The services we provide include:

Physical Therapy - Tailored programs encompass wheelchair skill development, assisted parallel bar walking, outdoor gait improvement, and balance rehabilitation.

Occupational Therapy - Our experts help you regain daily life skills such as eating, grooming, and dressing.

Speech Therapy - Our certified speech pathologist addresses speech, language, and swallowing issues.

LSVT BIG® Parkinson's Therapy - Our program helps enhance skills such as walking and balance for those with Parkinson's and similar conditions.

Insurances Accepted: Medicare, Tufts Health Plan, Harvard Pilgrim Health Care, Mass General Brigham Health Plan, UnitedHealthcare, and private pay.
